Ah ok! Yes, I think it's appropriate to keep them informed.

Thanks,

I meant the review of the signoff package. I didn't intend on notifying the company, but I most certainly can. Would you like me to?

Ok thanks. I already completed my review. Are you letting the company know?

I received an email from David Hoff yesterday saying he was uploading the responsive records. My hope is that it will be done today and I can deliver the letter and indices to you tomorrow morning. Once you complete your review, any revisions, we can hopefully close it out early next week.
